

VOLUNTEER SAFETY GUIDELINES & AGREEMENT

A Gift For Teaching recognizes the threat of coronavirus and we are closely monitoring the developments to ensure that we're highly prepared. The safety of our staff, volunteers, and the people in the communities we serve is our greatest priority.

In order to take all necessary precautions, all volunteers must adhere to the following:

- Bring your own mask/face covering- **REQUIRED** - Please see [CDC guidelines of proper use](#)
- If you have not yet signed a waiver this calendar year, bring a [completed waiver with you](#)
- Refrain from volunteering if; [you are sick](#), have been in contact with anyone who has tested positive for COVID-19, have pre-existing conditions that put you at high-risk, or travelled to high-impacted places in the last 14 days
- Monitor your temperature prior to arriving for your shift- should be less than 100.4 degrees; refrain from volunteering if temperature is 100.4 or higher
- Adhere to social distancing guidelines and general health safety measures (coughing/sneezing into your elbow, washing hands frequently, avoid touching your face, etc.) while at AGFT
- Follow a no handshake/hugging policy at AGFT. We recommend waving or verbally greeting people instead

Upon entering the building, volunteers will be asked to keep face coverings on, sanitize your hands and wear gloves (provided) when touching supplies that will be distributed to students. Volunteers will be given an overview of safety policies by AGFT staff prior to the start of the shift.

AGFT will be taking the following safety measures for you as well:

- All surfaces will be sanitized prior to a new shift arriving
- Provide hand sanitizer at the front door and throughout the building
- Keep smaller groups for each project to no more than 5 people with distancing in between
- Will continue to monitor the CDC for the latest information about COVID-19 and will make any necessary adjustments

I affirm that I meet the health standards and will abide by the guidelines identified above. I agree that should I become ill or show symptoms that could be related to COVID-19, I will inform AGFT of my symptoms or illness, leave the site immediately and not return until I am symptom free for 14 days.
