

Pencil Boy Programs

of  A Gift for Teaching

Join our mission to provide educational resources that empower teachers to inspire future leaders!

Pencil Boy Curbside

Free supplies with a pop of the trunk! Teachers can order learning essentials online for their students and classroom to conveniently pick up at the Free Teacher Supply Store.

Pencil Boy Express - The Mobile Free Store

Imagine a teacher supply store on wheels! This 27-foot trailer travels across Orange County to bring teaching tools directly to educators furthest from the Free Teacher Supply Store.

More than 70% of public schools in Central Florida are considered high-need. Access to free supplies greatly influences a teacher's ability to create a more equal learning environment and deeply impacts a student's preparedness and confidence to learn.

Direct funding of Pencil Boy Programs allows dedicated efforts to be focused in reducing barriers on teachers and students so they have the support they need to succeed.

*"This is an absolute awesome benefit for teachers. We once had to pay out of pocket for so many school supplies. Thanks to you, this really fills that gap."
- OCPS Teacher*

*"The Pencil Boy Express allows me to help ensure my students have the supplies they need for class. Everyday at least 50% of my students come to class without a pencil to complete their work. Having pencils to give them allows them to participate with minimal disruption to the class."
- OCPS Teacher*

Dean Level: \$5,000 Community Investment
