

Pencil Boy Programs

Funding Opportunities for Corporate & Community Partners

ON THE ROAD

Pencil Boy Express

The Mobile Free Store

Imagine a teacher supply store on wheels. This 27-foot trailer travels across Orange County to bring teaching tools directly to educators furthest from the Free Teacher Supply Store.

ORDER AHEAD

Pencil Boy Curbside

Free Supplies with a Pop of the Trunk

Teachers can order learning essentials online for their students and classroom to conveniently pick up at the Free Teacher Supply Store.

70%

of public schools in Central Florida are considered high-need. Access to free supplies greatly influences a teacher's ability to create a more equal learning environment and deeply impacts a student's preparedness and confidence to learn.

Direct funding of Pencil Boy Programs allows dedicated efforts to be focused on reducing barriers for teachers and students so they have the support they need to succeed.

“I love Pencil Boy because it is often impossible for us to make the trek to the physical store...You make it super easy for us and I appreciate all of your efforts!”

— Zellwood Elementary School Teacher
